**G. Consent to Magistrate Judge Jurisdiction**

In order to insure the just, speedy and inexpensive determination of Section 1983 Prisoner cases filed in this district, the Court has adopted a case assignment involving direct assignment of these cases to magistrate judges to conduct all proceedings including jury or bench trial and the entry of final judgment on consent of all the parties under 28 U.S.C. § 636(c), thus waiving the right to proceed before a district judge. The parties are free to withhold consent without adverse substantive consequences.

The Court encourages parties to utilize this efficient and expeditious program for case resolution due to the trial judge quality of the magistrate judges and to maximize access to the court system in a district where the criminal case loads severely limits the availability of the district judges for trial of civil cases. Consent to a magistrate judge will likely result in an earlier trial date. If you request that a district judge be designated to decide dispositive motions and try your case, a magistrate judge will nevertheless hear and decide all non-dispositive motions and will hear and issue a recommendation to the district judge as to all dispositive motions.

You may consent to have a magistrate judge conduct any and all further proceedings in this case, including trial, and the entry of final judgment by indicating your consent below.

13 pain treatment and medical care, provided care that amounted  
14 to not care at all, and refused to properly care for plaintiff's  
15 broken finger and broken nose; Leaving plaintiff in excruciating  
16 pain regardless of his pleas for pain relief and treatment;  
17 Plaintiff is informed and believes, and thereon alleges, that  
18 defendant C. Navamani, M.D., is properly trained and licensed  
19 medical doctor who was and is responsible for the medical care  
20 of all inmates at R.J.D. Corr. Fac.. This included, but was  
21 not limited to, the supervision, direction, and/or proper train-  
22 ing of medical staff at R.J.D. in the delivery of health care  
23 services and the management of health care programs; involvement  
24 in the determination of proper medical care for inmates, including  
25 but not limited to, having authority to order and approve medical  
26 tests, treatments, and make medical recommendations for custodial  
27 care, to be done; having authority to assure that inmates who  
28 are transferred to other institutions receive continuing proper

1 medical care, and having authority and responsibility for assuring  
2 the proper ordering, stocking of medical supplies, and perscribing  
3 of pain and treatment medications, communication of medical  
4 needs to correctional, custody, staff and medical employees,  
5 and generally, making sure that proper medical treatment, and  
6 follow ups, are provided to all inmates. Plaintiff is further  
7 informed and believes, and thereon alleges, that defendant  
8 C. Navamani, M.D., is responsible for assuring that R.J.D. Corr.  
9 Fac. medical staff, and all other medical providers with whom  
10 R.J.D. contracts in providing medical care to inmates, provide  
11 prompt, proper, medical care to the inmates, and that all such  
12 individuals know and understand, and act pursuant to R.J.D.  
13 Corr. Fac. policy. At all times mentioned defendant C. Navamani,  
14 M.D., was acting under color of State Law, in the course of  
15 employment, and is sued herein in his/her official and individual  
16 capacities. This defendant is responsible for failure to properly  
17 care for and answer the medical requests of plaintiff ongoing  
18 up to and beyond on or about 7-20-07/7-31-07 to present.

19 14. On September 26, 2006, at approximately 0830 hours, in  
20 Building One, R.J.D. Correctional Facility, Plaintiff was violent-  
21 ly and viciously attacked from behind, without warning and/or  
22 provocation, by inmate Bolton C.D.C.R. # F16958; Inmate Bolton  
23 C.D.C.R. #F16958, maliciously and violently committed an assault  
24 and battery on plaintiff, causing him serious injuries to his  
25 left hand and nose; Specifically, inmate Bolton broke plaintiff's  
26 nose and fifth finger, and blackened both of his eyes, leaving  
27 plaintiff with serious, painful, and debilitating injuries;

28 15. On September 26, 2006, three Correctional Officers were on

1 duty; One Correctional Officer (hereinafter C/O) in the Control  
2 Tower, and two C/Os on the day-room floor, at the Podium; The  
3 C/Os at the Podium were in conversation when the attack on  
4 plaintiff was initiated; The C/Os at the Podium soon observed  
5 the attack on plaintiff by inmate Bolton and immediately took  
6 action to separate the two inmates;

7 16. C/O Ascio, initiated the Alarm and the entire building of  
8 inmates was ordered to sit on the floor while numerous Staff  
9 arrived. Both Inmates Bolton, and plaintiff Chrisman, were  
10 escorted out of the building to Facility Clinic, pursuant to  
11 R.J.D. policy;

12 17. Inmate Bolton was taken into the clinic first even though  
13 he had no apparent injuries, while plaintiff was left outside the  
14 Facility One Clinic, in pain, complaining, until the examination  
15 of inmate Bolton was completed.

16 18. On September 26, 2006, plaintiff was taken to see defendant  
17 Sheridan, Medical Technical Assistant (hereinafter MTA) for the  
18 initial examination, cursory inspection, and determination of  
19 whether or not plaintiff was in need of a medical doctor; The  
20 defendant took some cursory notes for the C.D.C. 7219, Medical  
21 Report of an injury or unusual occurrence; Plaintiff complained  
22 of severe pain in his face and left hand; Specifically, plaintiff  
23 told the MTA Sheridan that his left fifth finger is extremely  
24 swollen, very painful, and obviously fractured; He also noted to  
25 the MTA Sheridan that his nose is caved in on one side, bleeding,  
26 lacerated and also fractured and painful; Plaintiff additionally  
27 complained about a large knot, bump, swollen, on the backside of  
28 his left ear; Plaintiff verbalized his injuries, and severe pain,

1 and need for immediate treatment and pain relief to all that  
2 were present, MTA Sheridan, and C/O McCurty; Plaintiff told the  
3 defendants that his pain was excruciating; Both defendant's look-  
4 ed at each other, kind of chuckled, and said nothing until I said  
5 that "MY FINDER AND NOSE ARE BROKEN" and C/O McCurty replied,  
6 "It looks like it."

7 19. Defendant Sheridan, MTA, after completing the C.D.C. 7219,  
8 said: "Okay, you can go back now." The plaintiff was shocked and  
9 taken aback, and replied: "I NEED MEDICAL ATTENTION;" Pain relief.  
10 Defendant Sheridan, MTA, said, with disdain: "Sign up for sick  
11 call" (Note: Sick Call can take anywhere from one week to two  
12 weeks to see a doctor); Plaintiff pleaded with the MTA Sheridan  
13 and C/O McCurty, to permit him to see a doctor for treatment and  
14 pain releif because he stated: "I hurt all over, my finger is  
15 broken and my nose feels broken also, could you please send me  
16 to the infirmary?"

17 20. Defendant Sheridan, MTA, became upset and impatient, and  
18 stated: "NO DOCTOR" "GO BACK TO YOUR BUILDING!" Plaintiff was  
19 in so much pain he then protested the instruction to return to  
20 the building without treatment or seeing a doctor; Plaintiff was  
21 experiencing callous disregard for his medical needs, he then  
22 protested by refusing to go lock up.

23 21. Defendant McCurty, C/O became angry and told plaintiff:  
24 "You're done, NOW GO LOCK UP." Plaintiff was in fear of being  
25 dragged off to the HOLE (PHU), so he protested and complained once  
26 again and complied with the order of both defendant's Sheridan  
27 and McCurty as they were the only two officers on the yard at the  
28 time. Plaintiff reluctantly returned to Building One in severe

1 pain and mental distress; Plaintiff was feeling helpless and  
2 hurting all over;

3 22. Plaintiff returned to his housing unit, after protest, and  
4 once he realized that he would either end up in the Hole or  
5 just not get the requested treatment; Plaintiff therefore asked  
6 the Floor C/O present, as it was the 10:00 hours Count time,  
7 to see the Program Sergeant Koludrovic because he is being left  
8 to suffer in severe pain with a broken nose and finger, and  
9 lumped up head, without treatemnt; Plaintiff was told tht:

10 "It's Count Time, go lock up." Plaintiff complied; But still  
11 complained of being left in severe pain, by this John Doe also;

12 23. Plaintiff was forced to suffer through the entire night  
13 without sleep, and without pain releif, and medical attention;  
14 Plaintiff called for the C/O John Doe, presently on duty, but  
15 was ignored repeatedly; Plaintiff tried to self medicate by  
16 taking numerous Ibuprofen tablets that he had, but it gave him  
17 no relief for the severe pain he was experiencing from both  
18 the broken nose and finger; The Pain lingered and every step  
19 he took in pacing the cell seemed to jar the bones, making him  
20 hurt more;

21 24. On 9-27-06 plaintiff went directly to the Facility One  
22 Clinic to request treatment and pain relief; Plaintiff told  
23 C/O Escalante that plaintiff was suffering from a broken nose  
24 and finger, but C/O Escalante merely told plaintiff to: "COME  
25 BACK TOMORROW." Plaintiff told him that he was in bad pain and  
26 did not sleep all night, but was still refused the needed medical  
27 treatment that he requested; Plainfiff was denied and/or delayed  
28 needed medical treatment for more than two days and nights by

1 defendants, and all of them, on or about September 26, 27, &  
2 28, 2006;

3 25. Defendants, and all of them, knew or should have known  
4 that Plaintiff Chrisman, was in need of immediate medical care,  
5 and they failed to take the reasonable actions to summon that  
6 medical care; Plaintiff was repeatedly denied and/or delayed  
7 medical treatment for all of his serious injuries suffered on  
8 September 26, 2006; Plaintiff has suffered denial/delay of medical  
9 care on-going for the above alleged injuries from September  
10 26, 2006 through July 31, 2007, to present;

11 26. On September 28, 2006, plaintiff returned to the Facility  
12 One Clinic, as instructed by C/O Escalante, the previous day;  
13 Plaintiff was seen by defendant Richards M.D., at which time  
14 plaintiff complained of being left in severe pain for the past  
15 two days with what he believed is a broken nose and broken fifth  
16 finger on his left hand, and contusions on his face and head  
17 that were clearly visable to all;

18 27. Defendant Richards, M.D. refused to act immediately to  
19 diagnose, treat, and/or splint plaintiff's finger and nose;  
20 Defendant Richards, M.D. refused plaintiff's requested X-ray  
21 and M.R.I. of his head (nose), and also refused plaintiff's  
22 reasonable requests for pain relief medication; Plaintiff was  
23 again left without the needed immediate medical care, regardless  
24 of his visit with Doctor Richards, and that this doctor knew  
25 and should have known that plaintiff was in need of immediate  
26 medical care, and defendant Richards, M.D., failed to take  
27 reasonable actions to diagnose, treat, and/or summon appropriate  
28 medical care deliberately leaving plaintiff to suffer in pain;

1 And deliberately leaving plaintiff to suffer severe mental  
2 distress and anguish; Defendants, and all of them caused, by  
3 their actions and/or inactions the infliction of unnecessary  
4 pain and suffering on plaintiff;

5 28. Between September 28 2006 and October of 2007, plaintiff  
6 submitted numerous requests for treatment for his pain and his  
7 psychological suffering due to the delay and denial of adequate,  
8 effective, and meaningful, prompt treatment of his medical needs.

9 29. On or about 2-22-07, plaintiff reported to the Facility  
10 One Clinic, as he requested prain treatment for his broken nose  
11 and finger, and he spoke with Dr. Navamani about his severe  
12 pain. Defendant Navamani, M.D. did absolutely nothing meaningful,  
13 adequate, and effective to provide medical care for plaintiff  
14 and relieve his pain and suffering despite the numerous requests  
15 by plaintiff for treatment.

16 30. On or about 4-6-07, Plaintiff again reported to the  
17 Doctor Navamani, after numerous delays, for treatment of his  
18 pain and suffering from his broken finger and nose, but again  
19 nothing was done to adequately, effectively, and meaningfully  
20 relieve plaintiff of pain , nor did the doctor fix/set plaintiff's  
21 broken nose and/or finger to prevent future damage, pain, and  
22 suffering; Rather, plaintiff was left to suffer in pain, unable  
23 to sleep, breath properly, and/or use his hand without severe  
24 and excrutiating pain;

25 31. On or about 6-8-07, plaintiff reported to the Facility  
26 One Clinic for another doctor's appointment that he requested.  
27 Plaintiff was frustrated by this time but still requested prompt  
28 treatment of his serious medical need; Plaintiff was suffering

1 excruciating pain from his broken nose and finger, yet once  
2 again the staff, defendant's and all of them, were unconcerned  
3 and ordered a treatment plan that was meaningless as plaintiff  
4 remained in excruciating pain as treatment was delayed and/or  
5 denied by Dr. James Richards.

6 32. Plaintiff is informed and believes that defendants, and  
7 acted and/or failed to act reasonably in providing plaintiff  
8 with proper medical care, treatment, and did not give plaintiff  
9 any meaningful, adequate, and effective treatment;

10 33. Plaintiff has not received adequate, effective, and  
11 meaningful treatment ofr his broken nose an finger to date as  
12 he is still in excruciating burning pain daily, and as a proximate  
13 cause of the delayed and denied treatment/care, plaintiff has  
14 suffered severe depresssion, cutting episodes, and psychological  
15 trauma and pain;

16 ~~34. As a proximate cause of~~ defendant's actions/inactions,  
17 and delay/denial of medical care treatment, plaintiff suffered  
18 through reconstructive surgery on several occasions, and he  
19 is now permanently disfigured, hideously, and suffers psycholog-  
20 ical trauma and self-esteem issues daily;

21 35. As a proximate cause of the delay and denial of treatment for  
22 plaintiff's fifth finger, plaintiff has suffered through the  
23 process of two surgal procedures and the subsuquent amputation  
24 of that finger.

25 36. Plaintiff repeatedly informed defendants, and all of  
26 them that he needed reasonable medical care, yet they deliberately  
27 disregarded all of those requests by refusing and/or delaying  
28 reasonable treatment, medications, and relief from the pain.

1 and suffering.

2 37. Plaintiff is informed and believes, and thereon alleges,  
3 that defendants, and all of them, knew that by being unconcerned  
4 with plaintiff's medical conditions, refusing to provide medical  
5 treatment/care, and refusing to provide relief for his physical  
6 and psylogical pain and suffering that a serious risk of harm  
7 may, would, and/or did befall plaintiff in that he suffered  
8 lasting depression, psychological problems as documented, facial  
9 disfigurment, and amputation of his fifth finger; Plaintiff  
10 is informed and believes that defendants, and all of them,  
11 disregarded his pleas for medicl care deliberately, and/or  
12 claiming plaintiff "is drug seeking" as they do with most inmates  
13 under their care and supervision;

14 38. Plaintiff is informed and believed, and thereon alleges,  
15 that defendants, and all of them, learned of his medical needs  
16 and complaints via plaintiff's requests for medical care, his  
17 medical file, the incident report that was prepared by staff,  
18 and that defendants, and all of them, knew or should have known  
19 that there was a serious risk of harm to plaintiff both physically  
20 and psychologically by the medical and custodial file; doctor's  
21 medical diagnosis, medical orders and recommendations, yet all  
22 of them denied and/or delayed needed medical care and/or provided  
23 grossly inadequate treatment;

24 39. Defendants have repeatedly delayed preforming medical  
25 tests, providing medical treatment and reasonable accommodations  
26 resulting in the above states injuries and exacerbated psycholog-  
27 ical problems; The defendants, and all of them, exhibited a  
28 serious lack of care and concern for plaintiff;

CLAIMS FOR RELIEF

(Eighth Amendment Violation - Deliberate Indifference to Serious Medical Needs)

40. Plaintiff refers to and incorporates by reference herein the allegations of paragraphs 1 through 39, supra, inclusive.

41. Plaintiff's medical condition, as described herein, constitutes a serious medical need in that failure to treat and provide reasonable care and accommodations for the conditions has resulted in further significant injury, and the on-going failure to treat is likely to cause more serious injury. Said injury has included, but not limited to, severe depression, severe burning pain, facial disfigurement, additional amputation and/or surgical procedures, psychological trauma, inability to properly grasp and hold things in his hand, and/or pick up objects and/or do work, memory problems from head injury, and/or financial costs of future doctors appointment and treatment upon release; Plaintiff's medical conditions significantly affect his activities in prison each and every day and his future ability to function in every day life in the community;

42. Plaintiff is informed and believes, and there alleges, that defendants, and all of them, have acted intentionally in a manner described above and with knowledge of plaintiff's suffering, pain, and risk of further serious harm that could result from their actions/inactions, to communicate to prison staff plaintiff's need for prompt, proper medical care.

43. Defendants conduct, and all of them, violates 42 U.S.C. §1983, because that conduct constitutes deliberate indifference

1 to plaintiff's serious medical needs in violation of his Eighth  
2 Amendment right to be free from cruel and unusual punishment.

3 44. As a proximate result of the defendants' conduct, and  
4 all of them, Plaintiff has suffered and continues to suffer  
5 general damages in the form of severe pain, psychological and  
6 emotional depression and stress, and physical disability that  
7 limits his daily function with his hand after the amputation  
8 of the fifth digit/finger; Plaintiff is informed and believes,  
9 and thereon alleges, that he will continue to suffer such damage  
10 in the future;

11 45. As a further proximate result of defendants' conduct,  
12 plaintiff is informed and believes, and thereon alleges, that  
13 he will suffer special damages in the future in the form of  
14 medical expenses for treatment of his painful amputated finger,  
15 restructuring, and/or plastic surgery of facial damage and his  
16 nose, treatment therefore, and treatment for his exacerbated  
17 depression, psychological counseling for psychological problems,  
18 and loss of income.

19 46. In acting/inaction as described herein above, defendants  
20 and all of them acted despicably, knowingly, willfully, and  
21 maliciously, or with reckless or callous disregard for plaintiffs  
22 federally protected rights, entitling him to an award of exemplary  
23 and punitive damages.

24 PRAYER FOR RELIEF

25 WHEREFORE, Plaintiff, Ronald Chrisman, prays for judgement  
26 against defendants, and all of them as follows:

27 1. For injunctive relief in the form of proper, prompt,  
28 medical diagnostic testing and/or treatment and pain relief,

1 according to proof;

2 2. For general damages; according to proof, if needed;

3 3. For future damages; according to proof;

4 4. For special damages, according to proof;

5 5. For punitive damages; according to proof;

6 6. For reasonable attorney fees pursuant to 42 U.S.C.

7 §1988;

8 7. For costs of the suit and/or for such other and further  
9 relief as the court may deem just and proper.

10 DATED: October 31, 2007 .

11 Respectfully submitted,

for such injury shall be deemed to accrue until it has first been determined that the confinement was illegal.

(Added by Stats.1963, c. 1681, p. 3278, § 1. Amended by Stats.1970, c. 1099, p. 1958, § 6.)

**Legislative Committee Comments—Senate****1963 Addition**

This section makes clear that liability exists for the intentional and unjustifiable interference with a basic legal right—the right of a person confined involuntarily to seek redress in the courts. To avoid a possible flood of unmeritorious actions, the section requires that a determination shall have been made that the confinement was illegal before an action for damages can be commenced. Such a determination might be a judicial or administrative determination that a prisoner should be released because his confinement was illegal.

**Law Revision Commission Comments****1970 Amendment**

Section 845.4 is amended to refer to the time of the accrual of the cause of action. This amendment clarifies the relationship of this section to the claims statute. As originally enacted, the statute of limitations might have expired before illegality of the imprisonment was determined—a determination that must be made before the action may be commenced. **§ 845.6. Medical care for prisoners; failure to obtain**

Neither a public entity nor a public employee is liable for injury proximately caused by the failure of the employee to furnish or obtain medical care for a prisoner in his custody; but, except as otherwise provided by Sections 855.8 and 856, a public employee, and the public entity where the employee is acting within the scope of his employment, is liable if the employee knows or has reason to know that the prisoner is in need of immediate medical care and he fails to take reasonable action to summon such medical care. Nothing in this section exonerates a public employee who is lawfully engaged in the practice of

one of the healing arts under any law of this state from liability for injury proximately caused by malpractice or exonerates the public entity from its obligation to pay any judgment, compromise, or settlement that it is required to pay under subdivision (d) of Section 844.6.

(Added by Stats.1963, c. 1681, p. 3278, § 1. Amended by Stats.1970, c. 1099, p. 1958, § 7.)

**Law Revision Commission Comments****1963 Addition**

This section limits the duty to provide medical care for prisoners to cases where there is actual or constructive knowledge that the prisoner is in need of immediate medical care. The standards of medical care to be provided to prisoners involve basic governmental policy that should not be subject to review in tort suits for damages. The immunity from liability for damages that is provided by this section exists even where some other statute might be construed to impose a mandatory duty to provide medical care to prisoners under other circumstances. In cases where another statute is so construed, the prisoner is left to the other remedies provided by law to compel public employees to perform their duties. [4 Cal.L.Rev.Comm. Reports 801 (1963)]

**1970 Amendment**

Section 845.6 is amended to expand the group of public employees who are referred to as potentially liable for medical malpractice to include all types of medical personnel, not merely those who are "licensed" under the Business and Professions Code. This conforms Section 845.6 to amended Section 844.6. The amendment also clarifies the relationship of Section 845.6 and subdivision (d) of Section 844.6. [9 Cal.L.Rev.Comm. Reports 801 (1969)]

were immune under this section from any liability arising from the death. *May v. Monterey County* (App. 1 Dist. 1983) 189 Cal.Rptr. 63, 139 Cal.App.3d 717.

**3. Serious and obvious need**

Statute imposing liability on public entities and public employees for failing to take reasonable action to summon medical care on behalf of prison inmates is limited to situations in which inmate is suffering from serious and obvious medical condition that requires immediate attention. *Watson v. State* (App. 2 Dist. 1993) 26 Cal.Rptr.2d 262, 21 Cal.App.4th 836.

Evidence that decedent was arrested for apparently being drunk, that decedent experienced emotional upset during his booking, that breathalyzer test revealed absence of any significant amount of alcohol in decedent's system, that police failed to hourly inspect decedent's cell as required by regulations, that decedent hung himself, and that autopsy established that decedent had been under influence of barbiturates but suffered from no other pathology, was insufficient to support jury's finding in wrongful death action against city and police officer that decedent had been in obvious need of medical care and that police had failed to provide such medical care. *Lucas v. City of Long Beach* (App. 2 Dist. 1976) 131 Cal.Rptr. 470, 60 Cal.App.3d 341.

Plaintiff prisoner's request of attendant for something for headache was not notice that she was in need of immediate medical care, for purposes of this section. *Kinney v. Contra Costa County* (App. 1 Dist. 1970) 87 Cal.Rptr. 638, 8 Cal.App.3d 761.

**4. Knowledge and Intent**

Public entity's liability under statute for failing to take reasonable action to summon medical care for prison inmate is limited to those situations in which public entity intentionally or unjustifiably fails to furnish immediate medical care. *Watson v. State* (App. 2 Dist. 1993) 26 Cal.Rptr.2d 262, 21 Cal.App.4th 836.

**5. Summoning care**

Statute requiring public entities and public employees to take reasonable action to "summon" medical care for prison inmates in need of such care did not impose any obligation on state, once medical treatment was provided to state prisoner, to monitor the quality of care provided. *Watson v. State* (App. 2 Dist. 1993) 26 Cal.Rptr.2d 262, 21 Cal.App.4th 836.

**6. Deficient care**

Medical care provided to state prison inmate who injured his ankle while playing basketball was not so deficient as to be tantamount to no

460

**POLICE AND CORRECTIONAL ACTIVITIES****Div. 3.6****§ 845.8**

medical care, so as to render state liable for failing to take reasonable action to summon medical care on behalf of inmate, notwithstanding that prison physicians who examined inmate allegedly misdiagnosed his torn Achilles tendon as sprained ankle; while incarcerated at state prison, inmate was able to walk and complained only that his ankle was tender. *Watson v. State* (App. 2 Dist. 1993) 26 Cal.Rptr.2d 262, 21 Cal.App.4th 836.

**7. Pleading**

Demurrer of deputy city attorney to complaint was properly sustained where complaint charged no wrongdoing by deputy city attorney other than his failure to advise municipal court of plaintiff's illness and to request a continuance, which charged, if anything at all, only false arrest, as to which deputy city attorney

had immunity under § 821.6. *Apelian v. Los Angeles County* (App. 2 Dist. 1968) 72 Cal.Rptr. 265, 266 Cal.App.2d 550.

**8. Jury questions**

Evidence in action against county that decedent was booked in evening on drunk charge, was unable to walk alone when brought to jail, did not have appearance of standard drunk, was in a coma or unconscious and had no odor of alcohol about him, and was still unconscious twelve hours after he was booked, disclosed factual questions for jury as to whether employee acting within scope of his employment had actual or constructive knowledge of prisoner's need for immediate care and of reasonable action to summon immediate medical care. *Hart v. Orange County* (App. 4 Dist. 1967) 62 Cal.Rptr. 73, 254 Cal.App.2d 302.

**§ 845.8. Parole or release of prisoner; escape of prisoners; persons resisting arrest**

Neither a public entity nor a public employee is liable for:

- Any injury resulting from determining whether to parole or release a prisoner or from determining the terms and conditions of his parole or release or from determining whether to revoke his parole or release.
- Any injury caused by:
  - An escaping or escaped prisoner;
  - An escaping or escaped arrested person; or
  - A person resisting arrest.

(Added by Stats.1963, c. 1681, p. 3279, § 1. Amended by Stats.1970, c. 1099, p. 1958, § 8.)

**Law Revision Commission Comments****1963 Addition**

This section is a specific application of the discretionary immunity recognized in California cases and in Section 820.2. The extent of the freedom that must be accorded to prisoners for rehabilitative purposes and the nature of the precautions necessary to prevent escape of prisoners are matters that should be determined by the proper public officials unfettered by any fear that their decisions may result in liability. [4 Cal.L.Rev.Comm. Reports 801 (1963)]

**1970 Amendment**

Subdivision (b) of Section 845.8 has been amended to extend the immunity to include persons resisting or escaping from arrest. This probably codifies former law. See *Ne Casek v. City of Los Angeles*, 233 Cal.App.2d 131, 43 Cal.Rptr. 294 (1965) (city not liable to pedestrian injured by escaping arrestee). But see *Johnson v. State*, 69 Cal.2d 782, 447 P.2d 352, 73 Cal.Rptr. 240 (1968). [9 Cal.L.Rev.Comm. Reports 801 (1969)]

461

**1. Construction and application**

Under California Tort Claims Act (§ 810 et seq.) public entity cannot be held liable for an injury to any prisoner except as provided under subdivisions of § 844.6 relating to injury to prisoners and for failure to take reasonable action to summon medical care for prisoner. *Hart v. Orange County* (App. 4 Dist. 1967) 62 Cal.Rptr. 73, 254 Cal.App.2d 302.

This section of California Tort Claims Act (§ 810 et seq.) dealing with failure to furnish or obtain medical care for prisoner deals with positive subject of creation of liability which has to do with something which exists neither privately nor publicly but which is special burden created by legislature to be borne by public entities under limited circumstances. *Hart v. Orange County* (App. 4 Dist. 1967) 62 Cal.Rptr. 73, 254 Cal.App.2d 302.

Under the California Tort Claims Act (§§ 810 et seq.) a public entity cannot be held liable for an injury to any prisoner except as provided under subdivisions of § 844.6 relating to injury to prisoners, and for failure to take reasonable action to summon medical care for a prisoner. *Sanders v. Yuba County* (App. 3 Dist. 1967) 55 Cal.Rptr. 852, 247 Cal.App.2d 748.

A prisoner could maintain an action against the county under the California Tort Claims Act (§ 810 et seq.) for failure of the county to take reasonable action to summon medical care. *Sanders v. Yuba County* (App. 3 Dist. 1967) 55 Cal.Rptr. 852, 247 Cal.App.2d 748.

**2. Proximate cause**

Scope of §§ 855.8, 856 providing immunity to public officials for failure to diagnose or to prescribe treatment and for determination whether to confine for mental illness person in their custody was more limited than scope of general duty to summon medical care established by this section and thus, complaint which alleged that decedent's suicide after release from custody of sheriff's office was proximate result of sheriff's breach of their statutory duty of care to prisoner by failing to summon medical care when they had reason to know that decedent was suicidal stated cause of action not subject to dismissal by demurrer. *Johnson v. Los Angeles County* (App. 2 Dist. 1983) 191 Cal.Rptr. 704, 143 Cal.App.3d 298.

Juvenile correctional center inmate's drowning death was not proximately caused by prison's alleged failure to furnish or obtain medical care, and thus counties and probation officer

Dear Ronald Chrisman,

The Victim Compensation and Government Claims Board (VCGCB) received your claim on March 30, 2007.

Based on its review of your claim, Board staff believes that the court system is the appropriate means for resolution of these claims, because the issues presented are complex and outside the scope of analysis and interpretation typically undertaken by the Board. The claim has been placed on the consent agenda. The VCGCB will act on your claim at the May 17, 2007 hearing. You do not need to appear at this hearing. The VCGCB's rejection of your claim will allow you to initiate litigation should you wish to pursue this matter further.

If you have questions about this matter, please mention letter reference 99 and claim number G566884 when you call or write your claim technician/analyst at (800) 955-0045.
